

1965 OUR FIGHT

*"We stand on the rim
of tomorrow's horizon.
Its hallmark is change;
Its quest is of the mind
and spirit;
Its frontier stretches
to the stars."*

— Delta Kappa Gamma

NINETEEN HUNDRED SIXTY-FIVE

OUR ECHO

SPAULDING

Old Spaulding . . . crowded halls, crammed lockers, scarred desks, creaking floors, music and laughter.

Old Spaulding . . . quiet dignity and stately beauty.

RETROSPECT

PROSPECT

Moving . . . the excitement of change and the anticipation of new classes and new activities.

Nostalgia . . . as we turn our backs upon the Old Spaulding and Bobby Burns and face the challenge of new opportunities.

REALIZATION

“The purpose of education is to acquire a useful store of factual knowledge, to sharpen the intellect, to learn how to think reflectively, and gradually to acquire an understanding of the society in which we live. Intellectual growth is not possible without mastery of the art of concentration. Concentration is the hardest exercise of which the human brain is capable. To be a real student must necessarily at times be a lonesome occupation. It is indeed not a passive role.

“This new high school building will have a tremendous influence upon the lives of thousands and thousands of future students. The opportunity is here.”

— Dr. Deane C. Davis
February 7, 1965

CHANGE

“**W**e do dedicate ourselves and our efforts to the pursuit of academic excellence in all fields of endeavor so that every student entering these halls not only satisfies his thirst for knowledge, but upon graduation becomes a qualified and worthy member of our great democratic society.”

— Mr. Anatole G. Pendo
February 7, 1965

“Let today embrace the past with remembrance and the future with longing.”

“The Prophet”

Was that my cue?

"A Melipius Umbellus Umbellus?"

And Now . . . Spaulding Alumni, Class of 1965

We like to feel that we shall be unique alumni of Spaulding High School. We shall be the first alumni to have attended both the old and the new Spauldings, and we shall be the last students to have shared a full four years with our friend Mr. Devine.

Yes, we are proud to be members of the Class of 1965, but in the future perhaps we can forget the year we graduated, for it really is unimportant. New school, old school, Class of '65 or Class of '35 . . . we are all bound by a tie which gives us great pride, a tie no building or year can change. Let us just be proud to say simply, "We are alumni of Spaulding High School."

Peter Post, Class President

The Alumni Banquet
June 16, 1965

Thank You . . .

The Class of 1965 takes this last opportunity to thank everyone who did so much for us during our happy years at Spaulding High School. Those of you who so loyally supported our athletic teams, provided transportation to and from our many activities, bought advertisements in our publications, donated to our various causes, and chaperoned our social events helped us more than you can realize.

Of course, without the sincere efforts of our faculty and the administration, our education and activities would not have been possible. We want you all to know that we recognize how much you have done for us, and we humbly offer you our deepest thanks.

Peter Post

We, the Editors of OUR ECHO 1965, give special thanks to Mr. Pendo, Miss Watson, Mr. Williams, Mr. Morris, Mr. Sankowski, Mr. Morse and Mr. Grimard of THE TIMES-ARGUS, Mr. Milne, Mr. Haynes, and our many advertisers.
