Carnahan-Strong Library Special Fund

The Vermont Historical Society is establishing the Carnahan-Strong Library Special Fund in honor of long-time librarians Paul Carnahan and Marjorie Strong. Revenue from the Carnahan-Strong Library Special Fund will directly support the staffing capacity of the Leahy Library. VHS librarians are responsible for everything from reference/research requests to cataloging new collections, from digitizing materials to creating metadata. This fund will enable VHS to appropriately staff the Leahy Library and ensure the continued preservation and sharing of Vermont's rich history in perpetuity.
